

# MEMO★PLUS

## Gold

## For Better Memory and Focus

Improve your focus and concentration the natural way with **MEMO PLUS GOLD**. Made from pure and natural *Bacopa monniera*, this brain supplement helps to:

- ✓ Enhance short and long-term memory
- ✓ Improve concentration and learning
- ✓ Alleviate absent-mindedness and forgetfulness
- ✓ Reduce anxiety and stress
- ✓ Decrease senility and the effects of aging
- ✓ Maintain general well-being

**MEMO PLUS GOLD** is an all-natural herbal supplement that contains the extract of **Bacopa monniera** — a memory enhancing herb that helps improve nerve impulse transmission by restoring and strengthening the neuron's synaptic activity.

Studies and clinical tests conducted in the **Brain Science Institute, Swinburne University** in Australia and the **Central Drug Research Institute** in India found that **MEMO PLUS GOLD** improved the retention of new information, the speed of information processing, verbal learning rate, and memory consolidation.

With regular intake of **MEMO PLUS GOLD**, along with the proper diet and exercise, helps in better memory and enhanced learning capability. Ideally for the elderly, students, homemakers, as well as professionals.

### RECOMMENDED USAGE:

For best results, take one capsule twice a day.

For children, pour contents of one capsule onto a teaspoon of honey, milk or juice.
